

# MAY - Human animal bond month

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	SUNDAY
		<b>1 One Health video</b>	<b>2 AB Responsible Use</b>	<b>3 Human animal bond</b>	4	5
		How can the #AnimalHealth industry support our shared #OneHealth? Watch this  <a href="https://resources.animalhealththeurope.eu/resource/975">https://resources.animalhealththeurope.eu/resource/975</a>	We all want to preserve the efficacy of #antibiotics for future generations.  With #ResponsibleUse measures such as Prevention, Detection and Treatment when necessary, we can help reduce the need for antibiotics in animals.  <a href="https://resources.animalhealththeurope.eu/resource/1395">https://resources.animalhealththeurope.eu/resource/1395</a>	Our pets are good for us, we can all agree to that! #PetPower But they also have a positive impact on our shared #OneHealth!  #HumanAnimalBond  <a href="https://resources.animalhealththeurope.eu/resource/1316">https://resources.animalhealththeurope.eu/resource/1316</a>		
<b>6 Proof points vaccines</b>	<b>7 Pet Care</b>	<b>8 Proof points vaccines</b>	<b>9 Europe Day - Roxane video</b>	<b>10 Human animal bond</b>	11	12
#DYK? A new intranasal vaccine for cattle can easily be administered by the farmer, and it protects the herd against 2 common diseases  #Innovation #MorethanMedicine  <a href="https://resources.animalhealththeurope.eu/resource/1591">https://resources.animalhealththeurope.eu/resource/1591</a>	Parasites not only bother your pet and can cause illnesses, they can also infest your home  Follow your #veterinarian's advice to keep your pet protected  <a href="https://resources.animalhealththeurope.eu/resource/1283">https://resources.animalhealththeurope.eu/resource/1283</a>	Did you know? Today's needle-free technologies mean animal vaccination is pain-free for both animals and farmers!  This ensures animals are protected against diseases while easing vaccine administration.  #WAVD #WorldImmunizationWeek2024  <a href="https://resources.animalhealththeurope.eu/resource/1590">https://resources.animalhealththeurope.eu/resource/1590</a>	There is no better way to celebrate #EuropeDay than making sure you vote in the upcoming #EUelections2024  Our Secretary General, Roxane Feller, has a few reasons why you should #UseYourVote  <a href="https://resources.animalhealththeurope.eu/resource/1145">https://resources.animalhealththeurope.eu/resource/1145</a>	Do you agree that having a pet improves our health? 97% of doctors think so! #PetPower  #HumanAnimalBond  <a href="https://resources.animalhealththeurope.eu/resource/1145">https://resources.animalhealththeurope.eu/resource/1145</a>		
<b>13 Innovation</b>	<b>14 Pet Care</b>	<b>15 Article</b>	<b>16 Proof points vaccines</b>	<b>17 Human animal bond</b>	18	19
As the challenges of our world evolve, so does the need for new technologies.  Innovations in #livestock farming are helping farmers raise healthier animals  <a href="https://resources.animalhealththeurope.eu/resource/1396">https://resources.animalhealththeurope.eu/resource/1396</a>	We know you love your pets And our industry wants to help you care for them, so they can live a long and healthy life  #PetCare #HumanAnimalBond  <a href="https://resources.animalhealththeurope.eu/resource/1398">https://resources.animalhealththeurope.eu/resource/1398</a>		A new type of vaccine against E-coli in pigs helps reduce the need to use #antibiotics  Innovations in #AnimalHealth are important to help us address today's challenges  <a href="https://resources.animalhealththeurope.eu/resource/1588">https://resources.animalhealththeurope.eu/resource/1588</a>	#PetPower is our way of describing the Human-Animal Bond and the many benefits both trained assistance dogs and family pets can offer. Find out more in this booklet from Pet Alliance Europe: <a href="https://pet-power.eu/wp-content/uploads/2021/09/hab-petpower-brochure.pdf">https://pet-power.eu/wp-content/uploads/2021/09/hab-petpower-brochure.pdf</a>		
<b>20 Mental Health Awareness Week</b>	<b>21 Animal health</b>	<b>22 Article</b>	<b>23 AB Responsible Use</b>	<b>24 Human animal bond</b>	25	26
The bond we share with our furry friends does wonders for us, their #PetPower can have a positive impact on our #MentalHealth  #HumanAnimalBond #MentalHealthAwarenessWeek  <a href="https://resources.animalhealththeurope.eu/resource/151">https://resources.animalhealththeurope.eu/resource/151</a>	We know people care about #AnimalHealth and welfare That's why our industry provides farmers and vets with the necessary tools to improve the health of the animals under their care  <a href="https://resources.animalhealththeurope.eu/resource/1243">https://resources.animalhealththeurope.eu/resource/1243</a>		A lot is said about #antibiotic use on farms... But one fact is that veterinary #antibiotic sales have decreased 53% on average across the #EU, #UK and #EEA since 2011.  <a href="https://resources.animalhealththeurope.eu/resource/1419">https://resources.animalhealththeurope.eu/resource/1419</a>	Did you know? Dogs can perform many different jobs! From police dogs, to therapy animals, our four-legged friends help people live safer and healthier lives  #HumanAnimalBond #AssistanceDog  <a href="https://resources.animalhealththeurope.eu/resource/260">https://resources.animalhealththeurope.eu/resource/260</a>		National Epilepsy Week
<b>27 Pet Care</b>	<b>28 World Hunger Day</b>	<b>29 Article</b>	<b>30 More than medicine</b>	<b>31 Human animal bond</b>		
We all have a role to play in the fight against #AMR Pet owners, we have 10 responsible use recommendations for you  <a href="https://resources.animalhealththeurope.eu/resource/1208">https://resources.animalhealththeurope.eu/resource/1208</a>	#WorldHungerDay  Improving animal health means: less food losses due to diseases, a secure supply of high quality and safe meat, fish, eggs and dairy produce  <a href="https://resources.animalhealththeurope.eu/resource/1397">https://resources.animalhealththeurope.eu/resource/1397</a>		Our industry provides solutions that are #MorethanMedicine We help farmers, vets and pet owners take better care of their animals.  <a href="https://resources.animalhealththeurope.eu/resource/845">https://resources.animalhealththeurope.eu/resource/845</a>	To benefit from all the positivity that our furry friends bring into our lives, we first need to take good care of them. Want to learn more about #PetCare? Read this  <a href="https://pet-power.eu/news/pet-care/how-to-be-a-responsible-pet-parent-top-tips-on-general-pet-care/">https://pet-power.eu/news/pet-care/how-to-be-a-responsible-pet-parent-top-tips-on-general-pet-care/</a>
